

Position: Experienced Pest Control Technician

JG Pest Control are seeking new Pest Control Technicians to join our team.

We offer excellent employee benefits including a unique uncapped commission and overtime scheme, flexible working hours, flexible shift patterns, day off for your birthday, company van and more.

Job requirements:

- Qualified to BPCA / RSPH level 2 in pest management or higher.
- Experience in carrying out pest control services.
- **A full UK driving licence is required** with preferred 2 years driving experience.
- Be self-motivated, well organised, hardworking, reliable, flexible, honest, and trustworthy with a positive attitude.
- Good communication skills, written and verbal, and be confident dealing with customers at all levels.

Job Purpose:

The role will include commercial and domestic pest control, fly killer servicing and pest proofing. The ideal candidate will have no problem with “getting their hands dirty”.

You will be based from home with a company vehicle provided.

Salary Info:

Job Types: Permanent, Full-time

Salary: £26,250 - £31,500 per annum.

Benefits:

- A competitive salary starting from £26,250
- Uncapped commission and overtime.
- Company phone & vehicle + fuel card
- 28 days holiday (including bank holidays)
- Flexible working patterns.
- Pension scheme

This is an exciting opportunity to be part of a pest control company like no other.

To be considered for the role, please email your CV to HR@jgpestcontrol.co.uk
